

# CALL FOR PROPOSALS

## INTERNATIONAL ASSOCIATION FOR ENVIRONMENTAL PHILOSOPHY

Twenty-Seventh Annual Meeting 14–16 October 2023  
Toronto, ON, Canada

The IAEP Executive Committee is excited to announce our annual meeting, immediately following SPEP, in Canada's largest city Toronto.

### Keynote Speaker

**Stephanie LeMenager**  
University of Oregon

**IAEP invites proposals for individual papers as well as organized panels on any aspect of environmental philosophy. Papers in areas touching on LeMenager's work—the anthropocene, resource exploration, feminist and interdisciplinary approaches to environmental philosophy, etc.—would certainly be welcome.**

Papers should be limited to 20 minutes reading time, but presenters will have an additional 20 minutes for discussion following their paper.

We plan on offering a remote option for those unable to attend in person, but don't know yet what the connectivity will be like at the conference venue. Please let us know if you are only able to attend remotely and we will do our best to accommodate.

**Individual Paper proposals:** Please send a single-spaced **Word document** (prepared for blind review) including a *proposal* (500–600 words) PLUS a *short abstract* (75–100 words, for the conference program). In the **body of the email**, please include detailed contact information (including physical and electronic addresses) and academic affiliation(s) of the author(s).

**Panel proposals (max. 3 papers):** Please send **one** single-spaced **Word document** (prepared for blind review) including a title for the panel followed by titles, proposals and both paper proposals (500–600 words) and short abstracts (75–100 words) for each paper as described above. The body of the email should include contact information and affiliations for each author. **Paper proposals will also be judged individually and may be accepted individually without acceptance of the entire panel.**

**ALL SUBMISSIONS** and **ENQUIRIES** should be sent to [iaepsecretary@gmail.com](mailto:iaepsecretary@gmail.com).

Authors may submit only one proposal for consideration. Papers previously published or under review for publication will not be accepted. **Accepted authors must be members of IAEP and registered for the conference by 1 September 2023 or they will be removed from the program.**

**\$250 PRIZE FOR BEST STUDENT ESSAY:** Students, please indicate in your email if you wish to be considered for this prize. The winner will be announced during the conference.

**DEADLINE for submissions: 15 March 2023.**
